## Independent Auditor's Report

**Board of Directors  
Stadium Authority of the City of Pittsburgh**

### Report on the Audit of the Financial Statements

#### Opinions

We have audited the accompanying financial statements of the business-type activities of the Stadium Authority of the City of Pittsburgh (Authority), as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of the Authority, as of December 31, 2021, and the changes in financial position and, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Authority and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Authority's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Authority's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that the required supplementary information listed in the table of contents be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### **Other Information**

Management is responsible for the other information listed in the table of contents. The other information listed in the table of contents does not include the basic financial statements and our auditor's report thereon. Our opinions on the basic financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon.

In connection with our audit of the basic financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the basic financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated April 6, 2022 on our consideration of the Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Authority's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Authority's internal control over financial reporting and compliance.

### **Prior Period Financial Statements**

The financial statements of the Authority as of December 31, 2020 were audited by other auditors whose reported dates March 26, 2021 expressed an unmodified opinion on those statements.

## MANAGEMENT'S DISCUSSION AND ANALYSIS

YEARS ENDED DECEMBER 31, 2021, 2020, AND 2019

---

As management of the Stadium Authority of the City of Pittsburgh (Authority), we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority as of and for the years ended December 31, 2021, 2020, and 2019. This Management's Discussion and Analysis is designed to assist the reader in focusing on significant financial issues and activities. We encourage the reader to consider the information presented here in conjunction with the financial statements as a whole.

### Financial Highlights

- During the year ended December 31, 2021, the operating revenues of the Authority's garages and parking lots improved by around 28% to \$6.8 million, with revenue increases the result of some individuals returning to work in the office, sports facilities opening for in-person attendance, and North Shore venues gradually reopening.
- The Authority's net position as of December 31, 2021 decreased by \$8.2 million from the prior year. Net investment in capital assets decreased \$4.2 million, amounts restricted for capital activity and debt reserves declined by \$1.6 million, and the deficit in the unrestricted net position decreased by \$2.3 million. The Authority's total cash and cash equivalents balance (Note 3) at the close of the 2021 fiscal year was \$6.3 million, representing a \$3.3 million decrease under the prior year-end. The liabilities of the Authority decreased \$945,000 due primarily to the payment of debt on the long-term note payable in respect to the Sports & Exhibition Authority of Pittsburgh and Allegheny County's (SEA) Parking System Revenue Bonds, Series of 2017 (Parking Bonds).
- The Authority recognized \$6.8 million in operating revenues for the calendar year 2021, an increase of \$1.47 million from 2020, due mostly to the increase in parking revenue from the Authority's garages and parking lots.
- As shown on the Statements of Revenues, Expenses, and Changes in Net Position, total Authority operating revenues were \$6.8 million, net of operating expenses of \$5.1 million and payment to SEA for the 2020 Stadium Authority grant, resulted in an \$8.2 million operating loss. All of the Authority's operating revenue is restricted to the Parking Bonds. The loss is net of depreciation and amortization expenses of \$1.6 million.

### Overview of the Financial Statements

The Management's Discussion and Analysis is intended to serve as an introduction to the Authority's basic financial report, which is comprised of a single enterprise fund. The following is a brief history of the Authority and its role today in the development of the North Shore.

The Authority was formed by the City of Pittsburgh (City) on March 9, 1964 pursuant to the provisions of the Public Auditorium Authorities Law of the Commonwealth of Pennsylvania

approved July 29, 1953, P.L. 1034, as amended (recodified as the Sports and Exhibition Authority Act 16 P.S. Section 5502-A et seq.). The Authority was originally responsible for the construction and management of Three Rivers Stadium and related parking lots. Three Rivers Stadium, which was used for baseball, football, and various concert events, opened on July 16, 1970 and was demolished in February 2001. SEA constructed Heinz Field, which is leased to the Pittsburgh Steelers, and PNC Park, which is leased to the Pittsburgh Pirates, to replace Three Rivers Stadium. The Authority remains responsible for the development of the land between the football stadium and the baseball park (which area is generally called the Option Area).

In 2003, the Authority entered into an agreement with a joint venture of the Steelers and Pirates (North Shore Developers), for the development of the Option Area, which agreement has been amended over time (as amended, the Option Agreement). The Authority oversees this development according to the terms of the Option Agreement. The Option Area contained 12 development parcels of various sizes. Eight parcels have been developed: the building that had been known as the Equitable Resources building and the Del Monte building (2 parcels), the Hyatt Place Hotel, North Shore Place I, North Shore Place II, the SAP building, and the Champions Garage (a privately owned garage that opened in 2021). The Option Period for the four remaining parcels designated under the Option Agreement as ((i) Tract 4(A), (ii) Tract 4(C), (iii) Parcel 4 and (iv) the remaining portion of Parcel 7.2) was set to expire December 31, 2021. In December 2021, the Authority authorized amendments to the Option Agreement whereby the Option Periods were extended for all four remaining parcels to January 31, 2022. The amendments also provide, among other things, that if by January 31, 2022, Tract 4(A) is taken down for development of an apartment building and a license agreement is entered into providing for green space on a portion of Parcel 4, then (i) the remaining portion of Parcel 4 is released from the Option Agreement, and (ii) the Option Periods are extended to March 31, 2023 for Tract 4(C) (where an entertainment plaza is planned) and for the remaining portion of Parcel 7.2. If certain conditions are met, the end of the Option Period for the remaining portion of Parcel 7.2 further extends to December 31, 2024.

On January 31, 2022 Tract 4(A) was taken down for the apartment building project, the license agreement was entered into for green space on a portion of Parcel 4, and, in accordance with the agreements, the Authority was prepaid the sale price for Tract 4(C), allowing Tract 4(C) to be used as a construction staging area. The sale proceeds received by the Authority for Tract 4(A) and Tract 4(C) are equal to the amounts the Authority owes ALCO Parking Corporation (ALCO) to release its parking lease rights on Tract 4(A) and Tract 4(C). The portion of Parcel 4 not to be improved as green space has been released from the Option Agreement and the Authority has covenanted to use it for parking until 2031. The remaining portion of Parcel 7.2 will continue to be used for parking pending development under the Option Agreement.

As part of the Option Area development, the Authority built the West General Robinson Street (WGRS) garage, which opened in 2006, and the Gold 1 (Gold 1) garage, which opened in 2017, to provide parking for the stadium and ballpark and to replace parking that was or will be eliminated with the development.

The Authority leases certain land from the Commonwealth of Pennsylvania that is also used for surface parking. The WGRS and Gold 1 garages and all surface lots are managed by or leased to ALCO. The lease and management agreements with respect to the parking lots run through 2050. The management agreements for the garages run through December 31, 2026.

Pursuant to the team leases for Heinz Field and PNC Park and the Option Agreement, the teams were to receive certain parking revenues related to Heinz Field and PNC Park events. Pursuant to current provisions, event parking revenues are now deposited in SEA's Heinz Field or PNC Park capital reserve account, as applicable, and used by SEA for certain capital projects at Heinz Field or PNC Park as provided for in the team leases.

SEA provides staffing and administrative services for the Authority.

## **Financial Statements**

The financial statements are designed to provide readers with a broad overview of the Authority's finances, in a manner similar to a private-sector business.

The *statements of net position* present information on all of the Authority's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

The *statements of revenues, expenses, and changes in net position* present information showing how the Authority's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., accrued receivables).

The *statements of cash flows* report cash and cash equivalent activities for the year resulting from operating activities, non-capital financing activities, capital and related financing activities, and investing activities. The net result of these activities added to the beginning of the year cash and cash equivalents balance reconciles to the cash and cash equivalents balance at the end of the year.

## **Notes to Financial Statements**

The notes provide additional information that is essential to a full understanding of the data provided in the financial statements.

## Financial Analysis

Below is a summary of the net position of the Authority as of December 31, 2021, 2020, and 2019.

### Condensed Summary of Net Position at December 31 (in thousands)

	<u>2021</u>	<u>2020</u>	<u>2019</u>
Current assets	\$ 13,360	\$ 20,318	\$ 19,570
Capital assets, net	41,135	42,266	43,683
Other assets	2,270	2,855	2,853
Construction in progress	<u>-</u>	<u>432</u>	<u>-</u>
 Total assets	 <u>56,765</u>	 <u>65,871</u>	 <u>66,106</u>
 Current liabilities	 1,606	 1,320	 1,527
Other long-term liabilities	22,432	23,664	24,282
Grants of the City of Pittsburgh	<u>22,775</u>	<u>22,775</u>	<u>22,775</u>
 Total liabilities	 <u>46,813</u>	 <u>47,759</u>	 <u>48,584</u>
 Net position:			
Net investments in capital assets	27,313	31,499	29,803
Restricted for capital activity/debt service	5,092	6,724	7,711
Unrestricted	<u>(22,454)</u>	<u>(20,111)</u>	<u>(19,992)</u>
 Total net position	 <u>\$ 9,951</u>	 <u>\$ 18,112</u>	 <u>\$ 17,522</u>

Current assets include cash, investments, and receivables from parking operations. Current assets decreased \$6.9 million over 2020. This is primarily due to the \$10 million grant agreement with SEA authorized by the Authority's Board in December 2020 (2020 Operating Grant Agreement). Other assets include \$2.3 million, which is the Authority's share of the debt service reserve account for the Parking Bonds.

Total liabilities decreased \$946,000 in 2021 primarily due to principal payment related to the Parking Bond. Current liabilities include accounts payable on capital projects for the WGRS and Gold 1 garages.

In November 2017, SEA issued the Parking Bonds in order to provide long-term, stable financing for parking facilities of SEA and the Authority. The Authority's portion of the Parking Bonds debt is reflected on the statements of net position as a long-term loan/note payable to SEA.

Other long-term liabilities include continued principal payments for the Infrastructure Development Program (IDP) loan and payments to ALCO for payment due to a reduction of parking spaces, both as described hereafter.

Net Position decreased \$8.2 million to \$9.95 million during 2021. The Net Position reports the amount of assets that an organization has to meet its obligations and is composed of Net Investment in Capital Assets, Restricted for Capital Activity and Debt Service, and Unrestricted (discretionary revenues).

- Net investment in capital assets (\$27.3 million) reflects the Authority's capital assets, net of related debt.
- Restricted for capital activity/debt service (\$5.1 million) has decreased \$1.6 million over last year and includes pledged parking revenues, bond reserve fund, and Authority development fund as of December 31, 2021.
- The unrestricted portion of net position has a deficit of \$22.5 million. This is a direct result of recording almost \$23 million in grants payable to the City related to operations of Three Rivers Stadium from 1965 to 1994. The City does not include this \$23 million as a receivable on its financial statements, due to the unlikelihood of collection (See Note 10).

Condensed Summary of Revenues, Expenses, and Changes in  
Net Position at December (In Thousands)

	<u>2021</u>	<u>2020</u>	<u>2019</u>
Operating revenues	\$ 6,790	\$ 5,317	\$ 10,956
Operating expenses:			
Operations and maintenance	2,613	2,184	4,092
General and administrative	152	177	189
Depreciation	1,565	1,521	1,511
Interest	813	845	875
Total operating expenses	<u>5,143</u>	<u>4,727</u>	<u>6,667</u>
Operating profit (loss)	<u>1,647</u>	<u>590</u>	<u>4,289</u>
Nonoperating revenues (expenses):			
Capital transferred to the SEA	(9,808)	-	(293)
Team Development Fund Expense	-	-	(259)
Total nonoperating revenues (expenses)	<u>(9,808)</u>	<u>-</u>	<u>(552)</u>
Increase (decrease) in net position	<u>\$ (8,161)</u>	<u>\$ 590</u>	<u>\$ 3,737</u>

The Authority's operating revenues are derived from parking revenues from the WGRS and Gold 1 garages and various Authority parking lots. Parking revenues were \$1.5 million more in 2021 than in 2020 due to the lifting of the "no public attendance" policies that had been in place in 2020 in response to the coronavirus outbreak.

All Authority net parking revenues are restricted for purposes of repaying the Parking Bonds (Note 8). Operating and administration expenses are primarily related to the parking operations, reimbursement to SEA for administration expenses, insurance, consulting expenses relating to the take down of the Option Area parcels, depreciation, and interest expense on the Authority's garage financings. Operating expenses are \$415,000 more than last year mainly due to the increase in activity as parkers are once again returning to the office and sporting events. Other non-operating revenues (expenses) in 2021 are the result of money transferred to SEA per the 2020 Operating Grant Agreement. The Authority's operating deficit was \$1.65 million for the year ending December 31, 2021 (before debt service principal payment).

## **Debt Administration**

In November 2017, SEA issued its Parking Bonds in the amount of \$41,670,000 to refinance the Authority and SEA short-term parking facility bank loans with long-term, fixed rate, investment grade debt. The bonds are secured by a joint pledge of net parking revenues by the Authority and SEA. Per a Cooperation Agreement between SEA and the Authority, of the \$41,670,000 original aggregate principal of the Parking Bonds, \$22,055,000 was allocated as a liability of the Authority payable to SEA. As of December 31, 2021, the Authority's outstanding principal balance due is \$19,155,000. This is shown as part of the long-term loans/notes payable on the statements of net position.

When construction of the WGRS garage began in 2005, the Authority received a \$1,250,000 IDP loan, with an interest rate of 2%, from the Commonwealth of Pennsylvania, Department of Community and Economic Development (DCED) to be repaid over 20 years. \$83,378 of principal and interest was paid on the IDP loan in the year ending December 31, 2021, leaving a principal balance of \$539,619.

## **Economic Factors**

Certain factors were considered in preparing the Authority's budget for the fiscal year ending December 31, 2022. In January 2020, a new coronavirus (COVID-19) was introduced to the United States and within in two months, had spread across the country, forcing employees to work remotely and sporting events to reduce or eliminate fan attendance. While 2021 showed great promise with the introduction of the vaccines and boosters, the return to the traditional workplace did not occur in 2021. Sporting events have opened to in-person attendance but with stricter rules and smaller crowds. As more and more people receive the vaccine, it is anticipated people will return to the on-site business environment and people will feel more comfortable attending sporting and other events.

The North Shore Developer completed construction of the Champions Garage in 2021, creating additional parking on the North Shore. Subsequent to year-end, two additional parcels were taken down and construction began on an apartment building. It is expected that the North Shore Light Rail Transit (LRT) System will continue to have a positive impact on North Shore parking for both garages and all parking lots.

## **Future Events that will Financially Impact the Authority**

As stated previously, per the Option Agreement there were initially 12 parcels of property to be developed on the North Shore. Subsequent to year-end, there are now two remaining parcels to be developed. With each development, the amount of surface parking has decreased, but the demand for daily parking may increase based on that development, positively impacting revenues.

WGRS garage is in its 16th year of operations (opened June 2006) and Gold 1 garage is in its fifth year (opened May 2017). ALCO has provided a 10-year capital budget identifying capital projects for the Authority's lots and garages over that time period. The Authority continues to plan for the funding of future capital projects as the lots and garages age.

### **Contacting the Authority's Financial Management**

Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Chief Financial Officer, Sports & Exhibition Authority, 171 Tenth Street, 2<sup>nd</sup> Floor, Pittsburgh, PA 15222.

# STADIUM AUTHORITY OF THE CITY OF PITTSBURGH

## NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

---

### 1. Organization

The Stadium Authority of the City of Pittsburgh (Authority) was formed by the City of Pittsburgh (City) on March 9, 1964 pursuant to the provisions of the Public Auditorium Authorities Law of the Commonwealth of Pennsylvania (Commonwealth) approved July 29, 1953, P.L. 1034, as amended (recodified as the Sports and Exhibition Authority Act 16 P.S. Section 5502-A et seq.) to provide increased commerce and prosperity, and to promote educational, cultural, physical, civic, social, and moral welfare to the general public. Current documentation provides for the term of the Authority to run to April 4, 2049.

The Authority is reported as a discretely presented component unit in the City's financial statements. The Authority's component unit status is due to the City's appointment of Authority Board of Directors (Board) members. The Board of the Authority is appointed by the Mayor of the City. The Board is a five-member board and is responsible for all the activities and operations of the Authority.

The Authority was responsible for the management of Three Rivers Stadium located in the City. Three Rivers Stadium was home to the Pittsburgh Pirates (Pirates) and Pittsburgh Steelers (Steelers) professional sports teams and was also utilized for various concerts and other events until it was razed in February 2001. Subsequent to the razing of Three Rivers Stadium, the Authority has been responsible for the development of the land between the newly constructed stadium and ballpark (see Note 4). A portion of that land was conveyed to the Sports & Exhibition Authority of Pittsburgh and Allegheny County (SEA) for construction of infrastructure. The remaining land was retained by the Authority to be developed according to a master development plan. The Authority entered into the Option Agreement with a joint venture of the Steelers and Pirates for the development of a significant portion of that land. The Authority has constructed two public parking garages on portions of the land. Pending development, the remaining land is used for surface parking. SEA provides staffing and administrative services for the Authority.

### 2. Summary of Significant Accounting Policies

The accounting policies of the Authority conform to accounting principles generally accepted in the United States of America applicable to governmental units and promulgated by the Governmental Accounting Standards Board (GASB). The Authority is considered a special purpose government engaged in business-type activities and, as such, presents the financial statements required for enterprise funds. A summary of the Authority's more

---

# STADIUM AUTHORITY OF THE CITY OF PITTSBURGH

## NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

---

significant accounting policies applied by management in the preparation of the accompanying financial statements follows:

### Basis of Accounting and Measurement Focus

The Authority's financial statements are prepared using the accrual basis of accounting and the flow of economic resources measurement focus. Revenues are recognized when earned and expenses are recognized when a liability is incurred. All assets, deferred outflows of resources, deferred inflows of resources, and liabilities associated with the operations of the Authority are included on the statements of net position. The statements of revenues, expenses, and changes in net position present increases (i.e., revenues) and decreases (i.e., expenses) in the Authority's total net position.

### Classification of Net Position

Accounting standards requires the classification of net position into three components -net investment in capital assets; restricted; and unrestricted. These classifications are defined as follows:

- Net investment in capital assets - This component of net position consists of capital assets net of accumulated depreciation and reduced by the outstanding balances of any bonds, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of these assets.
- Restricted for capital activity and debt service - This component of net position consists of net position that has constraints on use from external restrictions, reducing liabilities related to those assets.
- Unrestricted - This component of net position consists of assets that do not meet the definition of "restricted for capital activity and debt service" or "net investment in capital assets."

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

---

# STADIUM AUTHORITY OF THE CITY OF PITTSBURGH

## NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

---

### Revenues

The Authority's operating revenues consist of parking revenues from the WGRS garage and the Gold 1 garage and various Authority parking lots. Non-operating revenues consist primarily of funds transferred to/from SEA and a funding agreement (Note 9). When both restricted and unrestricted resources are available, the Authority's policy is to use restricted resources first, then unrestricted as needed.

### Cash and Cash Equivalents

The Authority considers all investments acquired with an original maturity of 180 days or less to be cash equivalents.

### Restricted Assets

Restricted assets include reserve accounts for the West General Robinson Street (WGRS) and Gold 1 garages and the lots, and the debt service reserve and other accounts relating to the Parking Bonds.

### Parking General Fund (Held By SEA)

The Authority's net parking revenues are restricted to the Sports & Exhibition Authority of Pittsburgh and Allegheny County Parking System Revenue Bonds, Series of 2017. Per the Bond Indenture, surplus revenues available after payment of debt service and other possible expenses of the indenture are deposited in the General Fund account. The parking general fund (held by SEA) is the money directly due to the Stadium Authority from that account.

### Reclassification

Certain items from the prior year have been reclassified to conform to the current year presentation. The reclassification had no effect on the change in net position.

### Pending Pronouncements

GASB has issued statements that will become effective in future years, including Statement Nos. 87 (Leases), 91 (Conduit Debt Obligations), 92 (Omnibus 2020), 94 (Public-Private and Public-Public Partnerships), 96 (Information Technology Arrangements), and 97 (Deferred

# STADIUM AUTHORITY OF THE CITY OF PITTSBURGH

## NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

---

Compensation Plans). Management has not yet determined the impact of these statements on the financial statements.

### 3. Cash and Cash Equivalents

The Authority's policy is to maintain all cash deposits in qualified public depositories and is authorized to invest in securities of the United States government, other instruments that are collateralized by United States government securities, repurchase agreements subject to certain restrictions and other debt instruments set forth by the office of the State Treasurer of the Commonwealth. These types of investments are held by the purchasing bank or financial entity in the Authority's name. The Authority's investment activities are governed by the Commonwealth and Authority's investment policy.

The following is a summary of the Authority's cash and cash equivalents and investments as of December 31, 2021 and 2020.

	<u>2021</u>	<u>2020</u>
Unrestricted cash and cash equivalents:		
Cash	\$ 53,273	\$ 66,535
PA INVEST	<u>228,553</u>	<u>2,555,054</u>
Total	<u>\$ 281,826</u>	<u>\$ 2,621,589</u>
Restricted cash and cash equivalents:		
Cash	\$ 740,256	\$ 475,624
PA INVEST	<u>5,283,356</u>	<u>6,539,551</u>
Total	<u>\$ 6,023,612</u>	<u>\$ 7,015,175</u>

Interest Rate Risk - The Authority limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates. The Authority's investments have maturities of one year or less.

Credit Risk - The Authority is subject to credit risk on investments. The maximum amount of loss the Authority would incur, if any, if the parties failed to perform on their obligation, is limited to the amount recorded in the financial statements. The Authority does not hold any type of collateral on these investments.

---

# STADIUM AUTHORITY OF THE CITY OF PITTSBURGH

## NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

---

Concentration of Credit Risk - The Authority places no limit on the amount that may be invested in any one institution. Currently, the Authority maintains its cash and cash equivalent balances at three financial institutions: two are FDIC insured banks and the third is at PA Invest (a Commonwealth program that provides highly rated investment pools designed specifically for local government and nonprofit groups). At FDIC insured banks, accounts are fully insured up to \$250,000 per depositor, which constitutes federally insured funds. The excess funds are secured with a pledge of collateral from the bank. Therefore, as of December 31, 2021 and 2020, all of the Authority's cash and cash equivalent deposits were either insured under federal insurance programs or collateralized.

#### **4. Development Funds**

In accordance with the Option Agreement, the Authority deposited certain event parking revenues in Team Development Funds maintained by SEA. Pursuant to the Option Agreement, these funds remained in the account until development occurred, at which time they were transferred to the teams.

In October 2019, the 2019 Amendment Agreement was executed between the Authority and the North Shore Developer, and effective October 31, 2019, the Team Development Funds were closed, all money in the accounts and all the money that would have been deposited effective July 7, 2019 were moved to SEA, Heinz Field, and PNC Park capital reserve accounts, as applicable.

During 2021, the money in the Authority Development Fund was moved to the Bond Fund of the Trust Indenture securing the Parking Bonds and will be used to pay debt service.

#### **5. Land**

The Authority's balance sheet does not include any value for land owned by the Authority because its land was conveyed to the Authority for the construction of Three Rivers Stadium by the Urban Redevelopment Authority of Pittsburgh at no cost.

Pursuant to the Option Agreement, approximately 400,000 square feet of land between the ballpark and the stadium (referred to as the Option Area) has been or is being developed.

# STADIUM AUTHORITY OF THE CITY OF PITTSBURGH

## NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

### 6. Building

Property and equipment are recorded at cost. Repair and maintenance costs which do not increase the useful lives of the assets are charged to operations as incurred. Depreciation is computed on the straight-line basis over the following estimated useful lives:

Buildings and improvements	10, 15, and 40 years
Machinery and equipment	5 years

Depreciation expense for the years ended December 31, 2021 and 2020 was \$1,564,567 and \$1,521,250, respectively. Changes in capital assets, net of accumulated depreciation were as follows:

	December 31, 2020	Additions/ Depreciation	December 31, 2021
Building	\$ 53,894,948	\$ 434,040	\$ 54,328,988
Infrastructure	2,241,369	-	2,241,369
Machinery/equipment	43,588	-	43,588
	56,179,905	434,040	56,613,945
Accumulated depreciation/amortization	<u>(13,913,915)</u>	<u>(1,564,567)</u>	<u>(15,478,482)</u>
Fixed assets, net	<u>\$ 42,265,990</u>	<u>\$ (1,130,527)</u>	<u>\$ 41,135,463</u>
	December 31, 2019	Additions/ Depreciation	December 31, 2020
Building	\$ 53,790,364	\$ 104,584	\$ 53,894,948
Infrastructure	2,241,369	-	2,241,369
Machinery/equipment	43,588	-	43,588
	56,075,321	104,584	56,179,905
Accumulated depreciation/amortization	<u>(12,392,665)</u>	<u>(1,521,250)</u>	<u>(13,913,915)</u>
Fixed assets, net	<u>\$ 43,682,656</u>	<u>\$ (1,416,666)</u>	<u>\$ 42,265,990</u>

HOV Improvements and Chuck Noll Way (infrastructure) were constructed by the Authority and dedicated to and accepted by the City on June 13, 2013, as City responsibilities, but continue to be reflected as Authority assets because these costs are considered an integral part of the development cost of the Option Area and, accordingly, are capitalized over the life of the projects.

# STADIUM AUTHORITY OF THE CITY OF PITTSBURGH

## NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

---

### 7. Construction in Progress

Construction in progress of \$0 and \$431,803 as of December 31, 2021 and 2020, respectively, relates to the costs associated with concrete work at the WGRS garage.

### 8. Debt

On November 30, 2017, SEA issued the Sports & Exhibition Authority of Pittsburgh and Allegheny County Parking System Revenue Bonds, Series of 2017 (Parking Bonds). The Parking Bonds are payable from, and are secured solely by, net revenues of a "Parking System." The Parking System is made up of specified parking facilities of SEA and specified parking facilities of the Authority. Pursuant to the Collateral Assignment Agreement, (Collateral Assignment Agreement) and a Joinder Agreement (Joinder Agreement), each dated as of November 1, 2017, and each between the Authority and Zions Bank, as bond trustee, the Authority has agreed to pledge the net revenues of its parking facilities and abide by all of the obligations and duties imposed upon the Authority by the bond trust. The proceeds of the Parking Bonds were used to refund Authority Bank Notes and SEA Bank Notes, and fund a bond reserve fund and pay costs of issuing the Parking Bonds.

While SEA issued the Parking Bonds, the Authority has certain obligations as provided for in the Collateral Assignment Agreement and the Joinder Agreement. Pursuant thereto, the Authority has recorded a note payable to SEA and SEA recorded a long-term receivable from the Authority, the balance of the components of which are as follows:

	SEA Note Payable (Net)	
	2021	2020
Note payable	\$ (19,155,000)	\$ (19,930,000)
Original issue discount	(2,984,294)	(3,171,789)
Bond debt service reserve receivable	2,269,500	2,269,500
Total	<u>\$ (19,869,794)</u>	<u>\$ (20,832,289)</u>

---

2037	1,680,000	84,000	1,764,000
Total	<u>\$ 19,155,000</u>	<u>\$ 9,119,750</u>	<u>\$ 28,274,750</u>

### 9. Grant to SEA

On December 14, 2020, the Authority Board approved a funding agreement with SEA in order to provide \$10 million in support of SEA 2021 operating costs. Events directly related to the COVID-19 pandemic, including the loss of events at the Convention Center (CC), the reduction in hotel tax revenues, and the 2020 reduction in parking revenues, caused SEA to require support of its operations with the majority of the funds being devoted to reopening and operating the CC. As of December 31, 2021, \$9,105,784 was used to pay SEA 2021 operating costs.

### 10. Grants from the City of Pittsburgh

Under the terms of an agreement dated July 1, 1965, and amended on various dates through June 17, 1992, the City made total grants of \$22,775,168 to the Authority to cover the excess of the aggregate costs of operations and maintenance of Three Rivers Stadium and debt service on the Stadium bonds over the total funds available to the Authority for those purposes. The City does not include the \$22,775,168 as a receivable on its audited financial statements, due to the unlikelihood of collection.

# STADIUM AUTHORITY OF THE CITY OF PITTSBURGH

## NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

### 11. Parking Operations

The Authority owns and maintains both structured and surface parking facilities on the City's North Shore (see table below). SEA also owns parking garages and several lots located on the City's North Shore, Central Business District, and at the PPG Paints Arena. These combined facilities provide daily commuter parking as well as event parking for SEA's public destination venues. (See attached Property Overview Map). Certain of the Authority's and SEA's combined parking revenues are pledged as security for SEA's Parking Bonds.

Facility	Location	Date Opened	Spaces (as of 12/31/21)	Management or Lease agreement; expiration date
<b>Garage</b>				
West General Robinson Street (WGRS)	North Shore	2006	1,324 (1,256 structured and 68 surface)	Management; 12/31/2026
Gold 1	North Shore	2017	998	Management; 12/31/2026
<b>Surface Parking</b>				
Lots 1, 2, 4, and 5*	North Shore	-	1,339	Lease; 3/31/2050; Management (portion of Lot 1), 3/30/2050
Lots 7A-7J	North Shore	-	1,111	Lease; 3/31/2050
Total			4,772	
* Lot 4 is not part of the Parking System. Without Lot 4's 206 spaces, the Parking System spaces total 4,566.				

#### Management Agreement for the Garages

The Authority has contracted with ALCO Parking (ALCO) to operate its WGRS garage and Gold 1 garage. Each arrangement is structured as a management contract. The Authority's management contracts for the garages expire December 31, 2026. ALCO is paid a set fee per year to manage the garages. In 2021, ALCO was paid \$52,983 for WGRS garage and \$46,360 for Gold 1 garage. In 2020, ALCO was paid \$51,691 for WGRS garage and \$45,229 for Gold 1 garage. The management fee increases annually by 2.5%.

#### Lease Agreement for the Lots

Certain of the Authority's surface parking lots are operated through a Lease Agreement (Lease) among the Authority, SEA, and ALCO. The original Lease term was a 40-year period, which began April 1, 1970, and ended March 31, 2010. ALCO has exercised its option to extend the term of the Lease for four consecutive additional periods of 10 years so that the final expiration is March 31, 2050.

# STADIUM AUTHORITY OF THE CITY OF PITTSBURGH

## NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

---

The Lease covers the majority of Lots 1, 2, 4, and 5 (the remaining portion of Lot 1 holds spaces operated under a management agreement as described herein), Lots 7A through 7J, which the Authority leases from the Commonwealth (Note 12) and SEA Lots Green 22 and 23. ALCO pays to the Authority an amount equal to the greater of (i) 50% of the Parking Residual Rent or (ii) 50% of the Residual Base Period Rent, each as defined in the Lease. For calendar years 2021 and 2020, Parking Residual Rent was greater and therefore was the basis of the payment.

As part of the Lease, the parties agreed that in the event the Authority and/or SEA permanently appropriate parking spaces covered by the Lease, either substitute spaces must be provided, or a stipulated buyout price is to be paid to ALCO. When Parcel 14 was taken down in 2017, the number of Lease spaces permanently appropriated was 140. The Authority committed to pay ALCO the buyout price for the spaces, at a cost per space of \$8,416.21, totaling \$1.2 million. On August 2, 2017, a parking agreement was entered into whereby ALCO paid 50% of the amount (\$589,135) at the Parcel 14 closing and 50% in 111 monthly installments of \$5,307.52 each. As of December 31, 2021 and 2020, the balance due to ALCO is \$318,451 and \$382,141, respectively. This amount is reported as parking agreement payable on the statement of net position.

In 2020, when Lot 10.3 (Tract 4(B)) was taken down, the Authority committed to pay ALCO the buyout price for the spaces, at a cost of \$8,957.57 for each of 134 spaces totaling \$1.2 million. On October 21, 2020, the Authority entered into a second parking agreement with ALCO to pay them 50% upfront at time of closing (\$600,157.09), and 50% in 73 monthly installments of \$8,110.23 ending no later than December 1, 2026. As of December 31, 2021 and 2020, the balance due to ALCO is \$478,504 and \$575,827, respectively. This amount is reported as parking agreement payable on the statement of net position.

Subsequent to year-end, additional parcels in Lot 4 (Lot 10.1 and Lot 10.2) were taken down or prepaid. The Authority entered into a buyout agreement with ALCO for Lot 4 (Lot 10.1) committing to pay ALCO the buyout price, at a cost of \$9,491.12 per space for each of 60 spaces totaling \$569,467. An additional buyout agreement for Lot 4 (Lot 10.2) was entered into at a cost of \$9,491.12 per space for each of 147 spaces totaling \$1,395,195. In both agreements, the Authority agreed to pay ALCO 50% upfront at time of closing (\$284,734 and \$697,597, respectively), and 50% in 58 monthly installments of \$4,826 and \$11,824, respectively, ending no later than December 1, 2026.

# STADIUM AUTHORITY OF THE CITY OF PITTSBURGH

## NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

---

### Management Agreement for the Lots

A portion of the Lot 1 surface spaces is operated through a management agreement. This management agreement was entered into between the Authority and ALCO commencing July 13, 2001, and the agreement will expire March 30, 2050.

## 12. PennDOT Lease

On March 23, 1989, the Authority entered into an agreement with the Commonwealth acting through its Department of Transportation (PennDOT) for the lease of certain property near Heinz Field and PNC Park (Lots 7A to 7J) to be used for public parking. The term of the lease was 21 years with options to extend. At the end of the first term (March 31, 2010), the Authority exercised its option to extend for four (4) ten-year terms, extending the term of the lease to March 31, 2050. The Authority expensed the \$70,080 lease payment made for the 12-month periods ended December 31, 2021 and 2020. \$70,080 has been the annual rent since August 2010. PennDOT has the ability to adjust the rate every two years on the basis of a fair market rental appraisal. No notification of a rate increase has been received.

Future lease payments due from the Authority to PennDOT are as follows (assuming no rate adjustment). Because both parties have the ability to terminate the lease by mutual consent at any time, lease requirements are identified only through the end of the second 10-year extension.

Future Lease Payments	
2022	\$ 70,080
2023	70,080
2024	70,080
2025	70,080
2026	70,080
2027-2030	<u>280,320</u>
	<u>\$ 630,720</u>

# STADIUM AUTHORITY OF THE CITY OF PITTSBURGH

## NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2021 AND 2020

---

### 13. Investment in Capital Assets, Net of Related Debt

Total net assets include an amount for investment in capital assets, net of related debt. The calculation for the years ending December 31, 2021 and 2020 is as follows:

	<u>2021</u>	<u>2020</u>
Capital assets, net	\$ 41,135,463	\$ 42,265,990
Bond Debt Service Reserve	2,269,500	2,269,500
Bond Trustee Fund receivable	6,586,861	10,244,508
Less: loans/notes payable related to capital assets	(22,678,913)	(23,712,570)
Construction in progress	<u>-</u>	<u>431,803</u>
Net investment in capital assets	<u>\$ 27,312,911</u>	<u>\$ 31,499,231</u>

### 14. Subsequent Events

Subsequent events were evaluated through the Auditor's report date, which is the date the financial statements were available to be issued. Subsequent events were noted in Note 11.

# **Stadium Authority of the City of Pittsburgh**

Independent Auditor's Report in Accordance  
with *Government Auditing Standards*

Year Ended December 31, 2021

**Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards**

**Board of Directors  
Stadium Authority of the City of Pittsburgh**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of the Stadium Authority of the City of Pittsburgh (Authority), as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Authority’s basic financial statements, and have issued our report thereon dated April 6, 2022.

### **Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Authority’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Authority’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Authority’s internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Board of Directors  
Stadium Authority of the City of Pittsburgh  
Independent Auditor's Report on Internal Control over  
Financial Reporting and on Compliance and Other Matters

### Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### Purpose of this Report

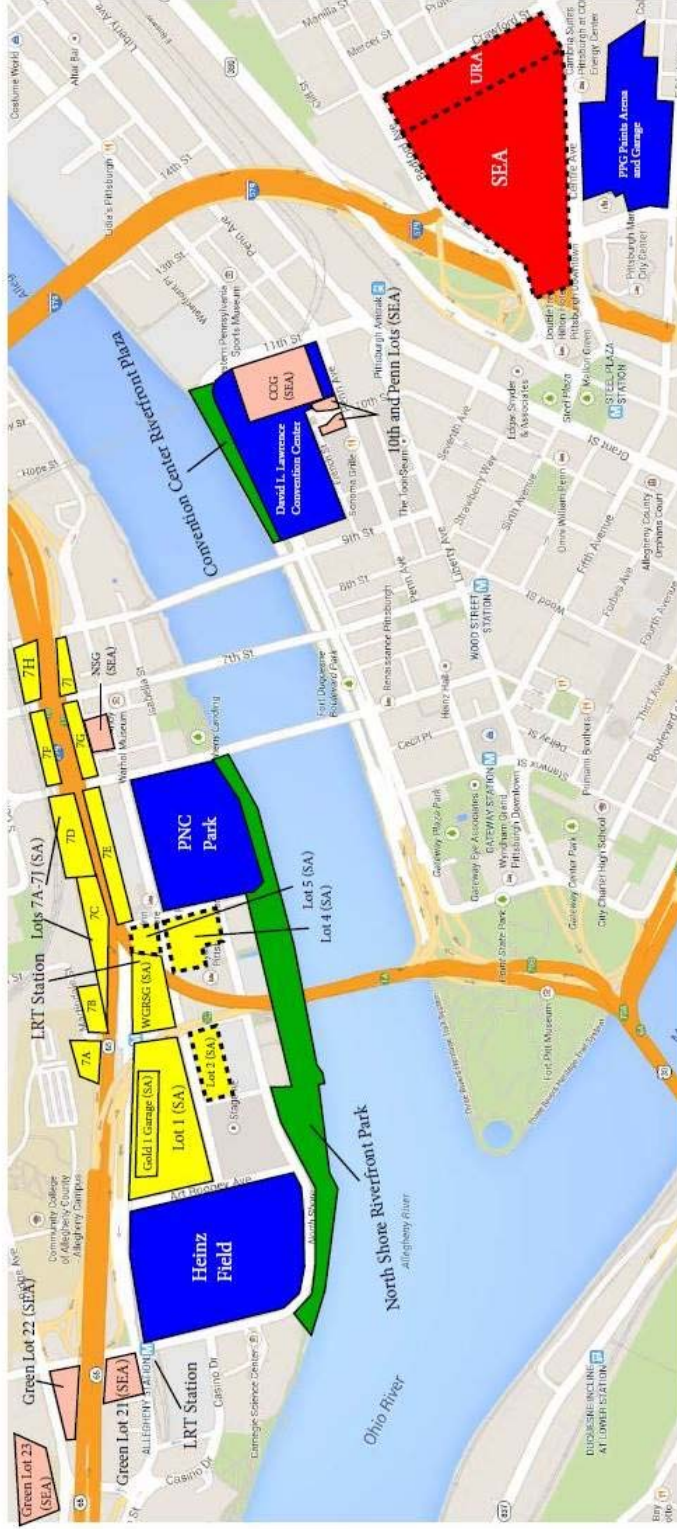

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

*Maher Duessel*

Pittsburgh, Pennsylvania  
April 6, 2022

## **OTHER INFORMATION**

## Sports & Exhibition Authority (SEA) and Stadium Authority (SA) Property Overview Map

- Sports and exhibition venues owned by SEA (PPG Paints Arena includes a 640 space integral garage leased to the Penguins)
- SA parking lots and garages: land for Lots 7A-7I leased long-term from PennDOT; "WGRSG" refers to West General Robinson Street Garage
- SEA parking lots and garages: "NSG" refers to North Shore Garage; "CCG" refers to Convention Center Garage
- 28-Acre Lower Hill Redevelopment site (19 acres owned by SEA; 9 acres owned by Urban Redevelopment Authority); Penguins hold development option; SEA currently coordinating with City and PennDOT on I-579 Cap Project construction; Penguins currently receive surface parking revenues
- North Shore Riverfront Park and Convention Center Riverfront Plaza, both owned by SEA
- Remaining North Shore development parcels (owned by SA); joint venture of Steelers and Pirates holds development option; development of Lot 4 in planning stages
