

Chiller Plant Condenser Water Pump Rebuild

AT THE DAVID L. LAWRENCE CONVENTION CENTER

The Sports & Exhibition Authority will receive pricing for the removal, rebuilding, and installation of a condenser water pump at the David L. Lawrence Convention Center. Inquiries regarding this opportunity should be made to Morgan Schmitt, Facilities Manager, e-mail: procurement@pgh-sea.com, phone: 412.325.6137. There is no formal bid for this project. For details on scope of work, please contact Morgan Schmitt.

General Scope:

- Pump Specs: Armstrong Split Coupled Vertical In-Line Pump, 100 HP, 8" Flange
- Isolate and remove condenser water pump #4
- Install the supplied spare pump already on-site (same specs as above)
- Rebuild the removed pump and return to the Chiller Plant at the DLCC

Written quotes will be due at 2:00pm on Monday, October 20, 2025.

Quotes should be submitted via email to procurement@pgh-sea.com.
